Title Lights:

Financiers vehicles and Motorcycles Auctions

Green Light

- All vehicles / Motorcycles listed with “green title” are sold with a title book and should be able to be re-registered straight away.

Yellow Light

- All vehicles / Motorcycles listed with “yellow title” are sold with a title book HOWEVER have unresolved issues that may delay re-registration. These may include outstanding fines or road tax that requires payment at the time of registration. The amounts will be noted against the vehicle in the catalogue.

Red Light

- All vehicles / Motorcycles listed with “red title” CANNOT be re-registered. Reasons include missing books or mismatched / missing VIN or engine number. These vehicles may not pass LTA inspection.

Salvage Vehicles Auctions

Yellow Light

- All vehicles listed with “yellow title” have a title book and should be able to be re-registered. They may have outstanding fines or taxes and they are sold in salvage because they are ‘non-mobile’

Red Light

- All vehicles listed with “red title” have a title book provided by the seller however are accident damaged or have other issues that may prevent re-registration.

Not Applicable

- All vehicles listed without a title light (NOT APPLICABLE) are sold accident damage and without a title book and cannot be re-registered.

Note: Manheim makes no representations or guarantees that Salvage vehicles can or should be repaired and/or re-registered. All vehicles are available for sale regardless of Title Status. For more information please contact a staff member.
